Rare Breed Steak

We cook our steaks on a charcoal barbecue in a sealed chamber; this gives it a unique flavour and retains the moisture.

Belted Galloway (England, Cumbria)

Belted Galloway is native to the borders of Cumbria and Scotland; it is one of the oldest breeds in the world dating back to the 17th century. The cattle are ideal for the harsher weather of the fells with their thick coat of hair that insulates their body so well they have a minimal layer of fat.
